Navigo - Open Tenders

Navigo, our line of open tenders, are the most spacious dinghies on the market, due to the boats' unique design characteristics, which are often imitated but never duplicated.

Navigo boats provide all the features you expect in a top-quality tender: largest internal area on the market, easy planing and balanced design ratios; hulls with built-in stringers for enhanced performance and durability; non-skid fibreglass decks for improved safety; the most interior space of any comparable boat line on the market; and a raised bow and large-diameter tubes for a dry and comfortable ride.

Navigo boats have features that every boater wants, the quality workmanship that our customers have come to expect, and those extra details that our most discriminating customers demand. Whether you are a cruising sailor or keep your boat on a mooring, Navigo boats were made for you.

Standard features include:

- Bow Eye
- Bow Stowage Hatch
- Four Davit Lifting Points
- Hand Laid Fiberglass Hull
- Hand Pump
- Heavy Duty Double Rub Rail
- Heavy Rubber Molded Grab Handles
- Maintenance Kit
- Non-Skid Deck
- Oarlocks (not included on 12VS, 13VS, 14VS)
- Oars (not included on 12VS, 13VS, 14VS)
- Orca Hypalon Five Coated Fabric
- Owner's Manual
- Removable Fiberglass Seat
- Transom Protector
- Paddles (12VS, 13VS, 14VS only)
